# Sara and I, Tiara

## Summary

Microfic. In the Guardians World, Sara invites Tiara to play a game.

- A translation of [Sara et moi, Tiara](#) by [MiaQc](#)

In the Guardians World, Sara invites me to play a game with vertical board, black and white marbles. It's a game I know very well. We play several rounds and Sara wins them all. This frustrates me. Sara explains that I would win if I would just stay focused instead of looking at her all the time. I blush. Sara is my friend, but I think she's so pretty. Sometimes I'm jealous of her beauty.
